

P.O. Box 346
104 S. Main St.
Thrall, TX 76578
(512) 898-5306

Dear Residents,
Spring has arrived and the City of Thrall would like to provide you with some information and events scheduled for the city.

WASTEWATER AVERAGING

Each year, the City of Thrall figures the wastewater charge on every account by taking the average of water used for the months of December, January, and February. These are usually the months with the lowest water usage. The new residential sewer rates should reflect on the bill you receive in May. The new rates will be charged for the next year.

CITY-WIDE YARD SALE

The Thrall City-Wide Garage Sale is back and will be held on Saturday, June 6. The city will be advertising the sale in the local newspaper. This is a great opportunity to get rid of those unwanted items and make a few dollars for those summer projects! No permits are necessary for hosting your garage sale. If you post signs, please make sure you remove them after your sale.

PET VACCINATIONS

Dr. Arlon Graef will be in the City Park June 6, from 12:00-2:00PM for vaccinations if you care to take advantage of his service. Dogs must be on leashes and cats must be in carriers.

CITY-WIDE CLEAN-UP

The City-Wide Clean-Up will be M-F, June 8-12 from 8AM-4PM and Sat, June 13, from 8AM-12Noon. The city will be providing roll-off dumpsters at the city water tower yard for disposal. You must have a current water bill to use the city dumpsters. Brush and limbs will **NOT** be placed in the dumpsters. **Items not accepted: tires, chemicals, paint, batteries, TVs, air conditioners, refrigerators, or any other items containing Freon.** ***The City will make ONE trip for the first 10 homes only, please call (512) 898-5306 to reserve your scheduled pickup time. You must call no later than Wednesday, June 10th. Items must be at the curb and be present to assist with loading.***

COUNCIL MEETINGS-Normally held the third Wednesday of each month at 7 p.m. at Thrall City Hall.

TREE LIMBS & BRUSH

If you have tree limbs or brush that you need to dispose of after your spring trimming, please call City Hall at 512-898-5306 to arrange for a time to gain access to our brush pile at the Sewer Treatment plant.

EXTRA GARBAGE

Al Clawson Disposal provides garbage pick-up for residents on Tuesday mornings. By contract, they are only required to empty the blue canister provided to you. If you consistently have more garbage that can fit in one canister, you may wish to consider a second canister at an additional \$15.50 (plus tax) monthly fee. For large items such as refrigerators, washers, dryer, couches, etc., you may also purchase garbage tags at City Hall.

2020 Census Shape your future

Look for a mailing from the U.S. Census Bureau in March and respond to the survey online, by phone, or by mail. The 2020 Census marks the first time you will have the option to respond online. Everyone living in the U.S. is required by law to be counted in the 2020 Census.

You will be asked a few simple questions, like age, sex, and the number of people who live in your home, including children. Your personal information is confidential and cannot be shared with anyone, including any government agencies or law enforcement. The Census will never ask you for your social security number, money or donations, or credit card numbers.

Census data are used to adjust electoral districts and shape how federal money is spent for roads, schools, health clinics, student loans, housing, and fire departments.

Learn more at 2020census.gov.

“FLUSHABLE” WIPES

The City of Thrall implores residents to refrain from flushing any “flushable” wipes down toilets. These wipes do **NOT** degrade as toilet paper does and we are having severe blockages due to the build-up of these wipes. This may cause sewage back-ups into homes and onto lawns and **COULD LEAD TO AN INCREASE IN SEWER FEES! PLEASE DO NOT DISPOSE OF ANYTHING BUT TOILET PAPER IN TOILETS.**
