

# NOTICE OF 2019 TAX YEAR PROPOSED PROPERTY TAX RATE FOR

## City of Thrall

A tax rate of \$0.627740 per \$100 valuation has been proposed by the governing body of City of Thrall. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of City of Thrall proposes to use revenue attributable to the tax rate increase for the purpose of providing funds for debt payments and operations for voter-approved bond projects and rising costs.

PROPOSED TAX RATE	\$0.627740 per \$100
PRECEDING YEAR'S TAX RATE	\$0.643336 per \$100
EFFECTIVE TAX RATE	\$0.592740 per \$100
ROLLBACK TAX RATE	\$0.623529 per \$100

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for City of Thrall from the same properties in both the 2018 tax year and the 2019 tax year.

The rollback tax rate is the highest tax rate that City of Thrall may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS FOLLOWS:

$$\text{property tax amount} = (\text{rate}) \times (\text{taxable value of your property}) / 100$$
