Dear Customers:

Effective immediately, Manville Water Supply Corporation (Manville) has placed the water system under Stage II water restrictions. This restriction applies to all customers of Thrall and Thrall's CCN. Noack/Manville is our wholesale water provider, we are required to comply with any restrictions on water use that they put in place for their own customers.

Manville's notice states

Residential Customers Watering Schedule:

Odd addresses – Wednesday and / or Saturday
Even addresses – Thursday and / or Sunday

Commercial & Multifamily Watering Schedule:

All addresses – Tuesday and / or Friday

Note: No operation of irrigation systems or hose-end sprinklers between the hours of 10:00 am & 7:00 pm.

We are asking for your compliance with these restrictions during this dry period. A follow up notice will be sent once the restrictions are lifted.
